These are our basic fees. After reviewing your credit reports, we can determine a fee schedule based on your unique situation.

Single \$600.00 to \$800.00
Couple \$1000.00 to \$1200.00

We can set up payment arrangements if needed.

REDUCTION IN FEES: If there is less work than normal, we will reduce our fees!

GUARANTEE: If we do not improve your credit reports and/or raise your credit scores, we will refund your money, as long as no new items appear or you are not incurring any more inquiries.

CREDIT EDUCATION: We will educate you on various topics so you won't be in the same situation again. Our goal is to save you more money than you paid for the credit restoration process.

Written Credit Analysis

\$169.00 We will review your credit reports and give you a complete written analysis on what items are lowering your credit scores, and what you need to do to obtain better credit. We also educate you on what you can do to raise your credit scores as quickly as possible. Questions are always welcome at Simple Solutions Credit Consulting!

GET STARTED

Here are the simple and easy steps:

1. Obtain all 3 of your credit reports and email, fax or mail them to us.

You can do this by going to <http://www.annualcreditreport.com/> for FREE but does not include credit scores. Or you can buy them at: <http://www.experian.com/>, <http://www.transunion.com/>, or <http://www.equifax.com/> these will include credit scores for a fee.

2. We will review them with you (FREE) to determine how to improve your credit reports and raise your credit scores by using the federal laws.

3. We start to work on your case and you will see results in as little as 35 to 45 days. You will be kept informed of the entire process and also educated on various topics to make sure that you are on track to keeping your good credit forever!

In the complicated world of credit, harassment and intimidation methods keep consumers from the knowledge that they need to improve their credit and eliminate unnecessary and damaging statements from their credit reports.

Simple Solutions Credit Consulting makes the credit repair process simple, legal and easy to understand. We prepare the necessary documents for you to submit to the credit bureaus to get the best possible results.

This is the most crucial step and needs to be done by a professional that knows the Federal Laws (F.C.R.A., F.D.C.P.A., F.D.B.A., etc). Of course, you can attempt to clean up your credit yourself, but if you do not do it properly, you risk spending more time and money. We can make the credit repair process, simple, legal and easy to understand.

Unlike other credit repair companies, we also provide you with additional pertinent information so you are educated on other issues that you may be facing now or have incurred in the past. This is very important so you won't be victimized again and you will have the knowledge to know what to do if something should happen in the future!

Simple Solutions Credit Consulting can make it happen NOW at a very affordable price along with a Satisfaction Guarantee.

With over 20 years of experience, we take pride in our industry-leading service and the results we produce for our clients. We are available to help you by phone, e-mail or in person.
